

PROGRAMS

OF PHI ETA SIGMA NATIONAL HONOR SOCIETY

Any Phi Eta Sigma member meeting all of the following requirements is eligible to be a Member of Distinction:

Participate in a minimum of four Member of Distinction qualifying programs

Have a cumulative grade point average of 3.5 on a 4.0 scale

Be a member in good standing with your local chapter

Phi Eta Sigma has launched a new Member of Distinction program. Phi Eta Sigma students will have the chance to earn a commendation and a special level of distinction by participating in qualifying national and local chapter events. The first class will be recognized at the 2022 National Convention. In addition to earning this significant honor, Members of Distinction will receive exclusive graduation regalia and special programming opportunities. Once members have completed all the requirements to earn Member of Distinction status, they must fill out and submit an application to the National Office via our website.

Save The Date for The 2022 National Convention in Birmingham, Alabama!

Join us as we celebrate our centennial anniversary October 14-16, 2022 in Birmingham, Alabama. We are looking forward to hosting members from all over the United States for a weekend of fun and celebration in the Magic City. This convention will feature many firsts like our pre-conference event visiting the Memorial for Peace and Justice in Montgomery, Alabama.
